

All Out Of Love

Air Supply

C G
 I am lying alone, with my head on the phone
 Am F C
 Thinking of you til it hurts, I know you hurt too
 G Am F
 But what else can we do, tormented and torn apart
 C G
 I wish I could carry, your smile in my heart
 Am F C
 For times when my life seem so low, it would make me believe
 G Am F Bm A
 What tomorrow could bring, when today doesn't really know - doesn't really know

Chorus:

D Am
 I am all out of love, I am so lost without you
 Bm G
 I know you were right, believing for so long
 D A
 I am all out of love, what am I without you
 Bm
 I can't be too late

G A D
 To say that I was so wrong

I want you to come back
 And carry me home
 Away from these long lonely nights
 I'm reaching for you
 Are you feeling it too
 Does the feeling seem all so right

And what would you say
 If I call out you now
 Saying I can't hold on
 There's no easy way
 It gets harder each day
 Please love me or I'll be gone, I'll be gone

(Chorus)

C
 Ohh
 G Am F C
 What are you thinking of What are you thinking of x 2

(Chorus) x 4
