What I'd give to run my fingers through your hairs  
To touch your lips, to hold you near  
When you say your prayers, try to understand  
I've made mistakes, I'm just a man

When he holds you close, when he pulls you near  
When he says the words you've been needing to hear  
I'll wish I was him 'cause those words are mine  
to say to you till the end of time

## Chorus

And, I will love you baby always  
And I'll be there forever and a day always

If you told me to cry for you, I could  
If you told me to die for you, I would  
Take a look at my face  
There's no price I won't pay  
To say these words to you

E B F#m C#m B E B/F# A B A B

Well, there ain't no luck

In this loaded dice  
But baby if you give me just one more try  
We can pack up our old dreams and our old lives  
We'll find a place when the sun still shines
