

As I Lay Me Down

Sophie B Hawkins

G D C D Em C
it felt like springtime on this february morning
G D G D
in the courtyard birds were singing your praise
C D Em C
I'm still recalling things you said to make me feel
G D
alright, I carry them with me today now

Chorus

G D C D G D C
as I lay me down to sleep, yes I pray, that you will hold me dear
D G D C D G
though I'm far away, I whisper your name, into the sky
D C D
and I will wake up happy

G D C D Em C
I wonder why I feel so high, while I'm not above my sorrow
G D G
heavyhearted 'til you call my name
D C D Em
and it sounds like churchbells or the whistle of a train
C G D
on a summer evening I want to meet you there, I'm barely breathing...

Repeat chorus

G D C D G
it's not too near for me, like a flower I need the rain
D C D G
though it's not real to me, every season has its change
D C
and I will see you when the sun comes out again

Repeat chorus
