I Will Come To You

Hanson

'Cause even if we can't be together
We'll be friends now and forever
And I swear that I'll be there come what may
When the night is dark and stormy
You won't have to reach out for me
I will come to you
Oh I will come to you
We all need somebody we can turn to
Someone who'll always understand
So if you feel that your soul is dyin'

And you need the strength to keep tryin'
I'll reach out and take your hand
