

Making Love Out Of Nothing At All

Air Supply

G
I know just how to whisper
Em
And I know just how to cry
C
I know just where to find the answers
D
And I know just how to lie

I know just how to fake it
And I know just how to scheme
I know just when to face the truth
And then I know just when to dream

And I know just where to touch you
And I know just what to prove
I know when to pull you closer
And I know when to let you lose

And I know the night is fading
And I know the time's gonna fly
And I'm never gonna tell you everything I gotta tell you
But I know I gotta give it a try

And I know the roads to riches
And I know the ways to fame
I know all the rules and then I know how to break them
And I always know the name of the game

C F C
But I don't know how to leave you
F G Am
And I'll never let you fall
Em
And I don't know how you do it
C D G
Making love out of nothing at all

Em
(Making love) Out of nothing at all

(Making love) Out of nothing at all

G G
Out of nothing at all

C D/F#
Every time I see you all the rays of the sun
G Bm C

Am
Are streaming through the waves in your hair

Bm Em
And every star in the sky

Is taking aim at your eyes like a spotlight

D/F#
The beating of my heart is a drum and it's lost
Bm C

Am D/F#
And it's looking for a rhythm like you

G C
You can take the darkness from the pit of the night

Am
And turn it to a beacon buming endlessly bright I gotta follow it

C G
Cause everything I own, now

It's nothing till I give it to you

G
I can make tonight forever
Em

C
Or I can make it disappear by the dawn

D
And I can make you every promise that has ever been made

And I can make all your demons be gone

But I'm never gonna make it without you
Do you really wanna see me crawl
And I'm never gonna make it like you do
