

Romeo And Juliet

Indigo Girls

C G/B Am
A lovestruck Romeo sings the streets a serenade
C G/B Am
Now he's laying everybody low, he's got a love song that he made
G
He finds a convenient streetlight, and he, he steps out of the shade and he says something like
F F9 G
You and me, babe, how about it?

C C Am Am
Juliet says, Hey, it's Romeo! He nearly gave me a heart attack, yeah well
C Am
He's underneath my window, now she's singing, heyla, my boyfriend's back
G
You shouldn't come around here singing up to people like that
F F G
Oh, anyway, whatcha gonna do about it?

C G F F9
Juliet, the dice were loaded from the start
C G F F9
And I bet, and you exploded into my heart
C G Am Am
And I forget, I forget the movie song
G F
When you gonna realize it was just that the time was wrong

C Am
Julie?

C G/B Am
We both come up on different streets, and they were both the streets of shame
C G/B Am
You know they're both dirty, both mean, yes and even the dreams were the same
G
Well I dreamed your dream for you and now your dream is real, so tell me honey
F F9 G
Now how can you look at me as if I was just another one of your deals?

C Am
Now you can fall for chains of silver, and you can fall for chains of gold
C Am
You know you, you fall for pretty strangers and the promises they hold
G
Well you promised me everything, and then you, and then you promised me thick and thin

Romeo And Juliet

Indigo Girls

F
And now you just turn away and say, Romeo?
G

I think I used to have a scene with him

C G F F9
Oh, Juliet, when we made love you used to cry
C G F F9
You said I love you like the stars above, gonna love you till I die
C G Am

There's a place for us, I know you know this song

G F
Now when you gonna realize that it was just that the time was wrong?

C Am
Julie, I'm so in love, so in love
C Am
Yeah

G/B C C G/B Am
But I can't do the talk, like they talk on my TV screen, and
C G/B Am
I can't do a love song, not the way you sung them to me
G
I can't do anything, but I would do anything for you, oh now
F F9 G
I can't do anything except be in love with you, yeah now

C Am
All I do is miss you and the way you used to be, you know
C Am
And all I do is keep the beat, I keep bad, bad company
G
And all I do is kiss you through the bars of this rhyme, well
F F9 G
Julie, I'd do the stars with you anytime

C G F F9
Oh, Juliet, when we made love you used to cry; you said I
C G F F9
Love you like the stars above, I'm gonna love you till I die.
C G Am
There's a place for us, I know you know the movie song
G F
One day we're gonna realize that it was just that the time was wrong

C Am
Julie, Julie
C Am
