## **Sad Movies**

Neil Young

G Bm Am Day and night we walk these aisles, in the same old movie show B7 Em We look for someone to hold for a while G Bm Am There's matinees on Saturdays and we sit in the velvet chairs B7 Em With popcorn boxes flying through the air

Chorus

G С D С C/BG Sad movies, they make you cry, sad movies, make you wonder why you ever came G Do something to me, don't make me wait D Đ Stab something through me, don't cut out the good things I appreciate

Bm G Am The lights go on, the movie's gone, and the manager is upstairs B7 Em He says he doesn't care if we take all our money back Bm Am G Day and night we walk these aisles in the same old movie show B7 Em We look for someone to feel for a while

## Repeat chorus
