

# Sometimes When We Touch

Dan Hill

G C  
You asked me if I loved you  
Am D  
And I choked on my re ply  
Em C  
I'd rather hurt you honestly  
Am D  
Than mis lead you with a lie  
C Am  
And who am I to judge you  
Em G  
By what you say or do  
C G  
I'm only just beginning  
C D  
To see the real you

## Chorus

G C  
Sometimes when we touch  
Am D  
The honesty's too much  
C Am D  
And I have to close my eyes and hide  
G C  
I want to hold you till I die  
Am D  
Till we both break down and cry  
C  
I want to hold you  
Am D7 G  
Till the fear in me subsides

G C  
Romance and all it's strategy  
Am D  
Leaves me battling with my pride  
Em C  
But through the insecurity  
Am D  
Some tenderness survives  
C Am  
I'm just another writer  
Em G  
Still trapped within my truth  
C G  
A hesitant prize fighter

# Sometimes When We Touch

Dan Hill

C D  
Still trapped within my youth

D C  
At times I'd like to break you  
Am D  
And drive you to your knees  
G C  
At times I'd like to break thru  
Am D  
And hold you endlessly

Repeat chorus

G C  
At times I understand you  
Am D  
And I know how hard you try  
Em C  
I've watched while love commands you  
Am D  
And I've watched love pass you by  
C Am  
At times I think we're drifting  
Em G  
Still searching for a friend  
C C  
A brother or a sister  
Am D  
And then the passion flares again

Repeat chorus
