

# Surrender

Elvis Presley

Cm

When we kiss my heart's on fire

Fm Cm

Burning with a strange desire.

Fm Cm

And I know each time I kiss you

G7 Cm

That your heart's on fire too.

So my darling please surrender

G Am

All your love so warm and tender

Let me hold you in my arms dear

G C

While the moon shines right above

All the stars would tell the story

G Am

Of a love and all its glory.

Fm Cm

Let us take this night of magic

G Cm

And make it a night of love.

Won't you please surrender to me

G C

Your lips, your arms, your heart, dear

Fm Cm G Cm

Be mine forever, be mine tonight.
