

# The First Time Ever I Saw Your Face

Roberta Flack

Dm            G        C  
The first time ever I saw your face  
Am                            Em    F  
I thought the sun rose in your eyes  
  C  
And the moon and the stars were the gifts you gave  
      Bb                    C  
to the dark and the end of the skies

Dm            G        C  
The first time ever I kissed your mouth  
Am                            Em    F  
I felt the earth move in my hand,  
  C  
like a trembling heart of a captive bird,  
      Bb                    C  
that was there at my birth.

Dm            G        C  
And the first time ever I lay with you  
Am                            Em    F  
I felt your heart so close to mine  
  C  
and I knew our joy would fill the earth  
      Bb                    C  
and last till the end of time
