

To Love Somebody

The Bee Gees

There's a light, certain kind of light
C
That never shone on me
F C G
I want my life to be lived with you
F
Lived with you

C G F
There's a way, everybody say
C
To do each and every little thing
F C
But what does it bring
G F
If I ain't got you, ain't got you, baby

Chorus

C G
You don't know what it's like
F C
Baby, you don't know what it's like
G F
To love somebody, to love somebody
C G
The way I love you

C G F
In my brain I see your face again
C
I know my frame of mind
F C
You ain't got to be so blind
G F
And I'm blind, so so so very blind

C G
I'm a man, can't you see what I am?
F C
I live and breathe for you
F C
But what good does it do
G F
When I ain't got you, ain't got you, baby
