          Cm              F           Bb
There are times when a woman has to say what's on her mind
          Cm                  F            Bb
Even though she knows how much it's gonna hurt
Cm              F              Bb        Gm
   Before I say another word let me tell you I love you
          Cm              D#             Cm        F
Let me hold you close and say these words as gently as I can
```

```
Cm                    F           Bb
   There's been another man that I've needed and I've loved
Cm                  F            Bb
   But that doesn't mean I love you less
          Cm            F              Bb          Gm
And he knows you can't possess me and he knows he never will
                Cm          D#           Cm        F
There's just this empty place inside of me that only he can fill
```

Reff:
```
    Cm                F    Dm              G     Cm
   Torn between two lovers      feelin' like a fool
            F          Bb        Bb7
   Lovin' both of you is breakin' all the rules
    Cm                F    Dm              G
   Torn between two lovers      feelin' like a fool
    Cm            F           Bb
   Lovin' you both is breakin' all the rules
```

```
Cm                         F             Bb
   You mustn't think you've failed me just because there's someone else
          Cm          F     Bb
You were the first real love      I ever had
Cm                    F          Bb            Gm
   And all the things I ever said I swear they still are true
    Cm         D#          Cm        F
For no one else can have the part of me I gave to you
```

```
Cm               F          Bb              Gm
   I couldn't really blame you if you turned and walked away
        Cm          D#      Cm              F
But with everything I feel inside I'm asking you to stay
