

All I Wanna Do

Sheryl Crow

Bb A
Hit it... This ain't no disco
Bb A
and it ain't no country club
Bb A
this L.A.

E
"All I wanna do is have a little fun before I die" says the
C D
man next to me out of nowhere
E
Apropos of nothing, he says his name's William but I'm sure he's
C D
Billy, Mac or Buddy
E
he's plain ugly to me, and I
C D
wonder if he's ever had a day of fun in his life
E
We are drinking beer at noon on a Tuesday
C D
in a bar that faces a giant car wash
E
The good people of the world are washing their cars
C D
on their lunch break, as best as they can in skirts and suits

Bb A
They drive their shiny Datsuns and Buicks
Bb A
back to the phone company and the record store
Bb A
Well they're nothing like Bily and me,

chorus

E
cause all I wanna do is have some fun,
C D
I've got a feeling that I'm not the only one,
E
all I wanna do is have some fun,
C D
I've got a feeling that I'm not the only one
E
all I wanna do is have some fun,
C D E C D
until the sun comes up over Santa Monica boulevard

All I Wanna Do

Sheryl Crow

E

I like a good beer buzz early in the morning

C

D

and Billy likes to peel the labels from his bottle of Bud

E

and shred them on the bar, then he lights every match in an oversized pack

C

D

letting each one burn down to his

E

thick fingers before blowing and cursing them out

C

D

Bb A

and he's watching the Buds as they spin on the floor,

Bb A

a happy couple enters the bar dangerously close,

Bb A

the bartender looks up from his want ads

Repeat chorus

Bb A

otherwise the bar is ours

Bb A

the day and thee night and the car wash too

Bb A

the matches and the Buds and the clean and dirty cars

Bb A

the sun and the moon
