

# Forever Young

Rod Stewart

G E  
Let's dance in style, let's dance for a while  
Heaven can wait, we're only watching the skies  
Hoping for the best, but expecting the worst  
Are you going to drop the bomb or not????

G E  
Let us die young or let us live forever  
We don't have the power, but we never say never  
Sitting in a sandpit, life is a short trip  
The music's for the sad men

G E  
Can you imagine when this race is won??  
Turn our golden faces into the sun  
Praising our leaders, we're getting in tune  
The music's played by the madmen

## Chorus

G E  
Forever young, I want to be forever young  
Do you really want to live forever  
Forever -- and ever

G E A  
Some are like water, some are like the heat, some are a melody and some are the beat  
Sooner or later, they all will be gone, why don't they stay young?

G E A  
It's so hard to get old without a cause, I don't want to perish like a fading horse  
Youth's like diamonds in the sun and diamonds are forever

G E A  
So many adventures couldn't happen today, so many songs we forgot to play  
So many dreams swinging out of the blue, we'll let them come true
