

# Hallelujah

Leonard Cohen

C Am C Am

I heard there was a secret chord that David played and it pleased the Lord but you don't really care for music do you  
 Well it goes like this the fourth the fifth the minor fall and the major lift the baffled king composing hallelujah

## Reff

Hallelujah hallelujah hallelujah hallelu jah

Well your faith was strong but you needed proof you saw her bathing on the roof her beauty and the moonlight overthrew you  
 She tied you to her kitchen chair she broke your throne and she cut your hair and from your lips she drew the hallelujah

## back to Reff:

Baby I've been here before I've seen this room and I've walked this floor I used to live alone before I knew you  
 I've seen your flag on the marble arch but love is not a victory march it's a cold and it's a broken hallelujah

## back to Reff:

Well there was a time when you let me know what's really going on below but now you never show that to me do you  
 But remember when I moved in you and the holy dove was moving too and every breath we drew was hallelujah

## back to Reff:

Well maybe there's a God above but all I've ever learned from love was how to shoot someone who outdrew you  
 It's not a cry that you hear at night it's not somebody who's seen the light its a cold and it's a broken hallelujah

## Reff

Hallelujah hallelujah hallelujah hallelu jah  
 Hallelujah hallulujah hallelujah hallelu jah
