

# Here I am

## Air Supply

C G F C G Dm Em F

C Em Am Em  
 Here I am playing with those Memories again  
 A7 Dm  
 And just when I thought time has set me free  
 G  
 Those thoughts of you keep taunting me  
 C Em Am Em  
 Holding you, a feeling I never outgrew  
 A7 Dm  
 Though each and every part of me has tried  
 G  
 Only you can fill that space inside  
 Dm G  
 So there's no sense pretending  
 Dm G  
 My heart it's not mending

### Chorus

C Em F G  
 Just when I thought I was over you  
 C Am F G  
 Just when I thought I could stand on my own  
 C Em F  
 Oh baby those memories come crashing through  
 E Am Dm Em F C G Dm Em Em F  
 And I just can't go on without you

G Em Am Em  
 On my own I've tried to make the best of it alone  
 A7 Dm  
 I've done everything I can to ease the pain  
 G  
 But only you can stop the rain  
 Dm G  
 I just can't live without you  
 Dm G  
 I miss everything about you

### Repeat chorus

Dm Em F  
 Go on without
