

Higher Creed

D G D G
When dreaming, I'm guided to another world time and time again.
D G D G
At sunrise, I fight to stay asleep 'cause I don't want to leave the comfort of this place.
D G D G
'Cause there's a hunger, a longing to escape from the life I live when I'm awake.

D G
So lets go there, lets make our escape.
D G
Come on lets go there, lets ask can we stay.

Chorus

D A G
Can you take me higher?
D A G
To a place where blind men see.
D A G
Can you take me higher?
D A G
To a place with golden streets.

D G D G
Although I'd like the world to change, it helps me to appreciate those nights and those dreams.
D G D G
But my friend I'd sacrifice all those nights if I could make the Earth and my dreams the same.
D G D G
The only difference is to let love replace all our hate.

D G
So lets go there, lets make our escape.
D G
Come on lets go there, lets ask can we stay.

(Chorus)

D G
So lets go there, lets go there.
D G
Come on lets go there, lets ask can we stay.

D A G

D A G
Up high I feel like I'm alive for the very first time.
D A G
Set up high I'm strong enough to take these dreams and make them mine.

(Chorus) 2X
