I Started A Joke

The Bee Gees

```
  G        Bm        C         D        Em        Am
```
```
G          Bm  C              D          G   Bm  C
I started a joke    which started the whole world crying
    D        G  Bm  C        D          G  Bm  C  D
But I didn't see       that the joke was on me
G          Bm  C                  D          G        Bm  C
I started to cry     which started the whole world laughing
       D       G   Bm  C         D          G
Oh, if I'd only seen       that the joke was on me
```

Chorus

```
    Em              Bm            C          G
    I looked at the skies running my hands over my eyes
       Bm        Em            Am              D
    And I fell out of bed hurting my head from things that I said
```

```
G          Bm  C              D          G   Bm  C
Till I finally died   which started the whole world living
       D       G   Bm  C         D          G
Oh, if I'd only seen       that the joke was on me
Bm    C           D        G   Bm  C  D
Oh    no that the joke was on me
G   Bm  C  D  G
Oh
```
