But I spent so many nights thinking how you did me wrong, I grew strong, I learned how to carry on
             Am   Dm   G   G7   Cmaj7
and so you're back from outer space, I just walked in to find you here with that sad look upon your face
       Fmaj7   Bm7
I should have changed my stupid lock I should have made you leave your key
       Esus   E   Esus   E
If I had known for just one second you'd be back to bother me

and I spent oh so many nights just feeling sorry for myself, I used to   cry, Now I hold my head up high

and you see me somebody new, I'm not that chained up little person still in love with you

and so you felt like dropping in and just expect me to be free, now I'm saving all my loving for someone who's loving me
