If Not For You

Bob Dylan

E   A   G#m   F#m   B   F#
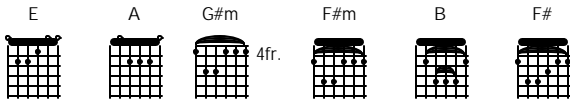

```
E A E A G#m F#m E A

      E       A           E         A           E
If not for you,  Babe I couldn't  find the door,   Couldn't even  see the floor,
A            G#m  F#m        E      A E A
I'd be sad and  blue,   If not for  you.

      E       A           E         A           E
If not for you,  Babe I'd lay awake all night,  Wait for the  morning light
A            G#m    F#m                  G#m F#m    E    A E A
To shine in  through,  But it would not be  new,  If not for  you.
```

Chorus

```
A           E              B                 E
If not for you,  my sky would fall;  rain would gather,  too.
A                        E
Without your love I'd be  nowhere at all
F#              B     A       G#m F#m
Oh! What would I  do if  not for

B  A  G#m  F#m E  A

      E       A           E                   A           E
If not for  you,  Winter would  have no spring,  Couldn't hear a  robin sing,
A                G#m  F#m                    G#m F#m      E      A
I just wouldn't have a  clue,  Anyway it wouldn't ring  true,  If not for  you.
         E       A
If not for  you.
```

Repeat chorus

```
      E       A           E         A           E
If not for you,  Babe I couldn't  find the door,   Couldn't even  see the floor,
A            G#m  F#m        E      A E A
I'd be sad and  blue,   If not for  you.
```
