Can you feel it coming in the air tonight oh lord?
Dm
Oh lord

Well when you told me you were drowning
I would not lend a hand
I've seen your face before my friend
But I don't know if you know who I am
But I was there and I saw what you did
Saw it with my own two eyes
So you can wipe off that grin I know where you've been
It's all been a pack of lies

I can feel it coming in the air tonight oh lord
I've been waiting for this moment for all my life oh lord
I can feel it coming in the air tonight oh lord
Oh lord

Well I remember
I remember don't worry
How could I ever forget?
It's the first time and the last time we ever met
But I know the reason why you keep this silence up
No you don't fool me
For the hurt doesn't show
But the pain still grows
Some stranger to you and me

I can feel it coming in the air tonight oh lord
I've been waiting for this moment for all my life oh lord
I can feel it coming in the air tonight oh lord

I can feel it coming in the air tonight oh lord
I've been waiting for this moment for all my life oh lord
I can feel it coming in the air tonight oh lord
