

Time After Time

Cindi Lauper

Em D Em D Em D Em D
Lyin' in my bed I hear the clock tick and think of you
Em D Em D Em D Em D

Caught up in circles confusion is nothing new

G A F#m G A F#m

Flashback, warm nights, almost left behind

G A F#m G A

Suitcase of memories time after

Em D Em D Em D Em D
Sometimes you picture me I'm walking too far ahead
Em D Em D Em D Em D

You're calling to me I can't hear what you've said

G A F#m G A F#m

Then you say go slow I fall behind

G A F#m G

The second hand unwinds

Chorus

A Bm G A D
If you're lost you can look and you will find me time after time

A Bm G A D
If you fall I will catch you I'll be waiting time after time

Em D Em D Em D Em D
After my picture fades and darkness has turned to grey
Em D Em D Em D Em D

Watching through windows you're wondering if I'm okay

G A F#m G A F#m

Secrets stolen from deep inside

G A F#m G

The drum beats out of time

Repeat chorus

G A F#m G A F#m
Then you say go slow I fall behind

G A F#m G

The second hand unwinds
